PAX A920 Mobile Terminal

Intelligence of an ECR in a handheld point of sale.

The PAX A920 is an elegantly designed compact secure portable payment terminal powered by an Android operating system. The A920 comes with a large high definition color display. A thermal printer that is neatly hidden to maximize usable screen area for customer facing transactions. Includes NFC contactless and electronic signature capture. Great battery life for portable use.

The A920 Quick Reference Guide is to help you with step by step instructions for basic transactions and functions.
